The Head Eagle

Mr. J. Morton

NLSS Eagles congratulate Mr. Morton on a terrific first year as a principal and as our Head Eagle. We hope we have shown you what it means to be an eagle. We have enjoyed watching you spread your wings and become part of our school community. We look forward to sharing many more years with you in Eagle country.

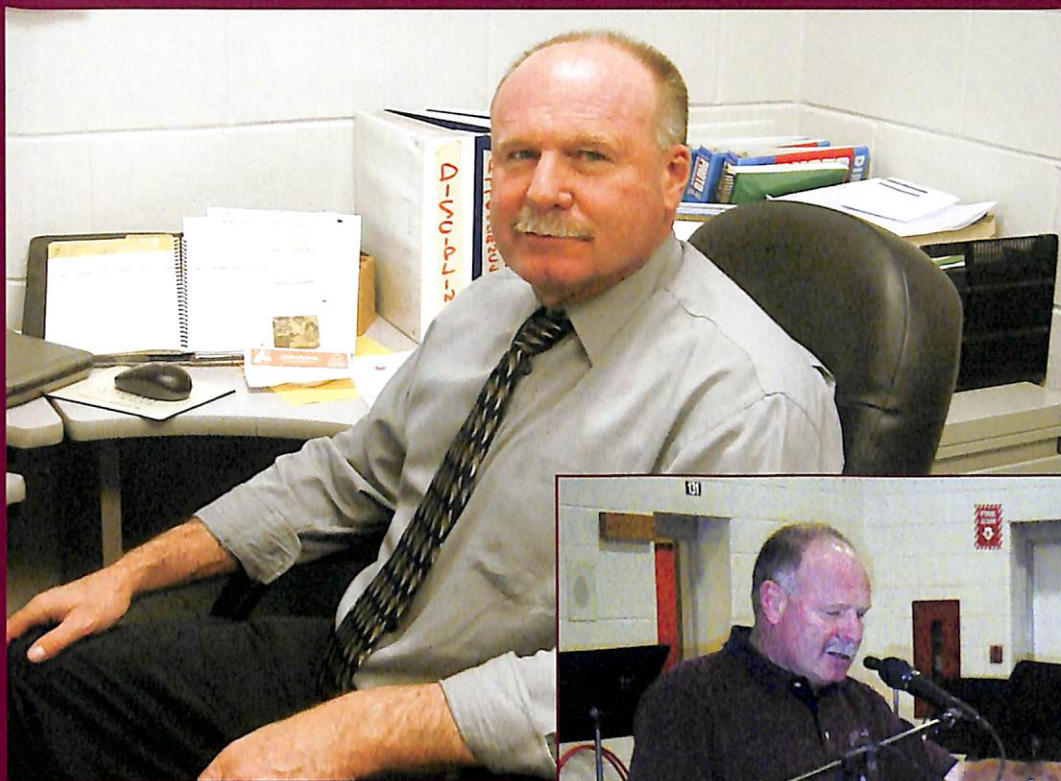

My first year at NLSS, and my first year as a Principal, has been memorable. I would like to thank the students and staff for making this a truly great year. There are so many highlights from this year. The Special Needs Program was welcomed by students, staff and the community with open arms and the students in this program had an equally significant impact on the culture of our building. We also enjoyed our first Homecoming with our Girls and Boys Hockey teams winning their home openers in front of a near capacity crowd, showing their enthusiasm and school pride. We also hosted the Awesome Eagle Encounter, a grade 8 to 9 transition program which gained provincial recognition. Of course I cannot forget our Drama Productions (some schools are lucky to have one but we had two spectacular productions this year), Music Nights, the Talent Show, Fun in the Sun (ok, we were a little short on sun and heat that day – but it was fun), and our many athletic successes. The truth is there was something to celebrate almost every day I came to school. However, what I am most proud of is the culture of Student Success that exists at NLSS. Student Achievement at NLSS is diverse, inclusive, and widely celebrated. I am Proud To Be An Eagle and look forward to calling NLSS home for many more years.

Mr. Jackson saying his farewell to the students and staff.

A fond Farewell! to Mr. M. Jackson

North Lambton says good-bye to a die-hard Eagle in Mr. Jackson - who started his career as a science and phys. ed. teacher in Sarnia and retires from his vice-principals after 34 years in education.

"North Lambton has been my second home for the past seven years. I will leave here with many good memories.

I would like to take the opportunity to wish our staff, graduates, and the rest of the student body all the best with their future endeavours."

We will miss you Mr. Jackson.

A message from Mr. F. Lynch

De-tailed and Deaf

Stand stalwart before the bull,
Like toreadors, but
In corridors.
Look sharp – down the pick
And lance problems.

Where did we go?
Our friends – our books –
Our disks spinning,
Our pods that brought us
Eye to eye
With the bull!

That bull, before you
With fierce eyes
Reveals our inner eye –
The I in me,
And we store a labyrinth
Of treasure
To mine in days of leisure.

You will sit silently
In rooms, or
Walk near stars and
Bleeding bulls, or,
Awaken mornings
To test patterns with
Eyes in need of rubbing –eyes
In need of monitoring.

But don't forget the bull
Being dragged out –
De-tailed and Deaf.

- F. Lynch

NLSS Yearbook Team meets Challenge Head-on

The biggest challenge for any yearbook production team - get your book in on deadline.

What many people don't know about yearbook production is that it is a task that begins on the first day of school and doesn't end until the last day of school - if we are lucky. Students are involved in photographing every event, every class and every person through-

out the entire school year, as well as writing stories and creating computer generated layouts of the pages. It means coordinating with other students and teachers as well as the yearbook printing company to get pages done on time for each of the five deadlines throughout the year. It is not an easy task, but one that this year's production team took very seriously.

I would like to congratulate the entire team for their success in meeting the challenge this year and producing a yearbook I am proud to present to all Eagles. It represents our school year with style. It has been a joy for me to see this book unfold and the students grow in knowledge with it. Way to go team!

Sincerely, Mrs. Buechler, Advisor

Learning Has its reWards

Students collect their awards at the annual Academic Awards assembly

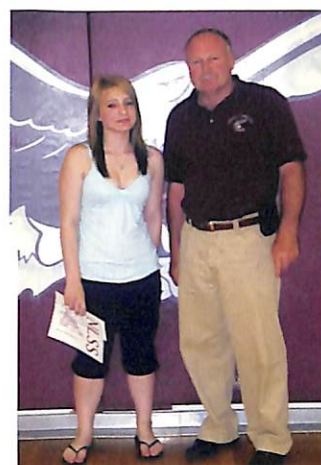

This year dozens of students were recognized for their academic achievements at the annual Academic Awards assembly in June. Students assembled in the gymnasium to receive certificates and trophies for awards ranging

from most improved student in a single course to outstanding placement in Ontario in Math and Physics contests. Whether the award recognized a small or large achievement, you are applauded for your hard work and dedication to learning.

History classes cross the timeline.

Looking Beneath the Surface

Mr. McLean's class traveled to the Lawson museum in London. This helped to bring the architectural unit of the class to life. Here they first learned about ancient native ways and then went outside to discover it on their own. The students had a chance to dig up real artifacts, record where they were and clean them.

The class stops for a quick picture in front of a longhouse.

Emily Melo, Logan Manhout, Bridgette Somers, and Kayla Clark sift and search for artifacts.

and Stepping Back in Time

On November 27, 2007, Mr. McLean's history class travelled to Toronto to visit the ROM (Royal Ontario Museum), where they were treated to a guided tour. This trip really tied into the curriculum; the students saw some of the artifacts they learned about in class. Some of the highlights were an Egyptian mummy, the Medieval armor room. "The trip was a success," says Mr. McLean. "We're planning on going on another one next year."

TAKING A TRIP AROUND THE WORLD

The Geography Class explores.

Geography and Travel and Tourism classes always offer something interesting to learn about the world around you.

In October, Mr. Tichenoff's Geography class went to Point Pelee in Windsor to study wildlife and infrastructure. While there, they bird watched and saw an art gallery as well.

The Travel and Tourism class ventured even further, on paper! They planned an extensive Caribbean cruise, mapping out a route of a least five Ports of Calls. If only this were a trip we could really take.

Mr. Tichenoff's entire classes poised on the edge of Point Pelee - don't get too close to that frigid water.

NORTH LAMBTON LAW GETS TAKEN TO COURT!

On Thursday May 29th Mr. McLean's Law class traveled to London to visit the Police Headquarters and Courthouse. When the class first arrived at the Courthouse they were greeted by a Counsel Duty who explained all the different roles that there are in a courtroom. They then had the opportunity to sit in on a real court session. At the Police Headquarters the class toured around and had their picture taken in a special room they use to take pictures of criminals.

STUDENTS GET THEIR SAY...

ALL CANDIDATES ASSEMBLY SCHOOL ELECTION

Tom Genovy introduces the candidates for our provincial election assembly, inspiring our student to make their concerns known.

The people that helped to make this day a success.

Mr. Hines' first semester Civics class held a school wide election before the provincial election on Wednesday, September 26th. "Student Vote", an Ontario organization, whose goal is to promote young adults to vote, sponsored this activity. It was held after students had a chance to meet several of the candidates at the All Candidates Meeting. Maria Van Bommel, James Armstrong and Joyce Jolliffe all attended. Students were asked to vote for a candidate and to give their opinion on whether or not, to change the current voting system.

Joyce Jolliffe representing the New Democratic Party.

The following were the candidates on the "Student Vote" election ballot held on Friday, September 21st:

Liberal- Maria VanBommel

PC- Monte McNaughton

Green Party- JamesArmstrong

NDP- Joyce Jolliffe

Family Coalition- William McMaster

Reform Party- Brad Harness

The Green Party won with a convincing 63%, the Liberals were second at 16%, and the NDP and Conservatives tied at 9% each. The FPTP voting system won with a resounding 64%, meaning the current Ontario voting system was here to stay at NLSS.

In Voyage en France French Adventures

This Year Madame Lefebvre's grade 10 French students held the French Café. Students worked hard all semester preparing for the big event, which hosted grade 9 French students. The occasion brought in over \$200 which was donated to the Children's Hospital in London.

Twenty-one NLSS students participated in the St. Donat French Ski trip! The five-day trip included lots of snow, skiing, snowshoeing and

other outdoor activities all while experiencing "la culture française du Québec". After skiing the students participated in many indoor activities. They even recorded their first CD about their Québécois legend "Le Rocher Percé" during their music workshop. NLSS eagles also celebrated Mardi Gras by wearing colourful beads and designing masks. This year's trip and special events were successful. Merci Eagles.

Recreating a Shakespearean Play

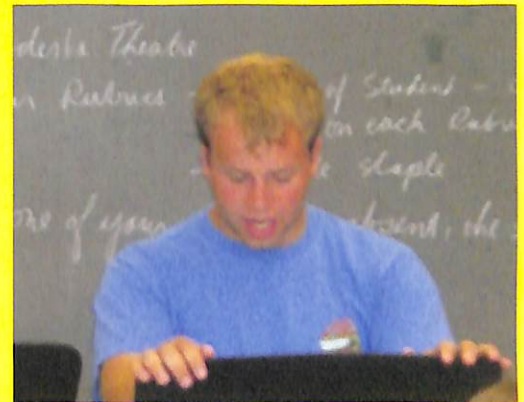

Grade 12 English students bring a Shakespearean play to life

Chris Kattleson adding some sound effects, when it was his groups turn to read the play.

We like to have some fun, get language on its feet, and put it to work; reader's theatre fills the bill. You can see students digging in to their scripts looking for clues to their characters' motives, desires, and emotions. Then comes the hard work: to make the characters come to life through the spoken word. The students really loosen up and get into character. Many times we dramatize scenes in costume, sometimes we satirize. Students have fun, and from a teacher's viewpoint they are working hard developing important and complex literary skills. It's a win - win and a blast to boot.

Birthing a Baby!

With Dr. Lacroix

During first semester, the NLSS parenting class got the chance to bring a baby into this world - a mechanical baby that is! Talk about gross!

Students had to actually go into the mechanical body to feel for the baby, stretch the skin and guide the baby out the way a professional doctor would.

It was a wild and sometimes awkward experience.

A Day In The Country Child Care Day

Child Care Day was held at NLSS on May 28th 2008 in room 313. The theme of the day was A Day In The Country. The day was organized by Mrs. Sipkens Smith. There were lots of different activities for the kids to do like; coloring, reading, crafts, milking a cow & fishing. The kids got to make sheep, cows, chickens, & pig crafts & they made frog, cows or dog puppets. The puppets were used in the Old MacDonald song at the end of the day. Snack time was a mixture of different kinds of fruits and vegetables and apple juice to drink, very nutritious. Milking the cow and fishing were one of the favorites of the day, the kids really enjoyed learning how to do all sorts of new things.

Dayna Rawlings & Cierra eating very healthy at snack time.

Presley & Meghan fishing and counting their fish as they catch them.

Bryce, Rachel & Luke getting really excited to milk the cow.

It's Old MacDonald goodbye song time. The kids loved the song. They all sang along and held up their animal puppets when their names were called.

Craft time! Sheep, cows, and chickens were crafts that the kids could make to bring home and keep.

Iron Chef Cook-off

Is The Iron In You?

Thanks to Mrs. Spikens-Smith for making room 311 smell mmm, mmm good. On December 14th, 2007, period A and period B of grade 10 were iron chefs themselves. They had 75 minutes to race to the finish.

The classes prepared their own baked goods. The special ingredient they had to put in their dish in order to qualify was honey. Each group was judged in different categories, including:

level of difficulty, originality, plating, taste, and overall ranking. Mr. Tichenoff, Mr. Perry, Daniel Reckman, Mrs. Matthews, and Ms. Simon were a hard panel to please while judging period A. Evaluating period B included: Ms. Oreskovich, Ms. Sippel, Mr. Ryan, and Ms. Kingdon's student teacher.

Haeden Donald, Sarah Veens, Jaqui Gosnek, and Andria Atchison baked orange cheesecake and lead their period A class to

victory. Leading their period B class to success was: Maygin Wood, Kyle O'Neil, Amy Batten, Holly Vossen, and Mike Lucier who baked apple bunt cake.

Winners got the opportunity to wear their very own iron chef aprons as they were crowned Iron Chefs.

Putting on the Iron Chef competition drew interest to the foods course from students not previously interested. "The effort, organization and results were top notch across the board, and I was well fed", says Mr. Tichenoff. It was a fun activity for students, teachers, and judges alike.

The fashion models strut their stuff.

Fashion class at NLSS taught by Mrs. Hoskins, is more than a place to learn about sewing. It is a place to let your fashion imagination go wild! Learning the elements and principles of design while making their own rag bags and pajama bottoms are just a few of the things you get to do in this class. This year, Mrs. Hoskin and Mrs. Sipkens-Smith took the fashionista girls to Toronto to explore the fashion district on Bloor Street, shopping and browsing at Gucci, Chanel, Louis Vuitton, and more. The girls then travelled to Ryerson University where they enjoyed a fashion show put on by the student designers of Ryerson University.

A Walk Through Visual Art

Creative people, being creative. Line, Shape, Form, Colour, Texture, Value and Space-techniques that all make up a piece of art. That's what NLSS Visual and Media Art classes will help you to do. Whatever your inspiration, you'll be molded into a maker of art. Visual art is defined as the arrangement of elements. NLSS students get to experience many different techniques: Painting, Sculpting, Printmaking, Sketching/Drawing, Native Art and much more. Many works of art were created this year and a special mention goes to the students who participated in the Forest Fair Art Contest and the Royal Canadian Legion Art contest. Congrats to those who won awards. Keep on Creating Eagles!

Bye, Bye Birdie takes a satirical spin on the Elvis Presley craze of the early 60's. When Conrad Birdie, a hip-swiveling swooner and national teenage heartthrob, is inducted into the army, his manager and secretary decide to capitalize on the

event by staging "One Last Kiss" on Lucky Kim MacAfee of Sweet Apple, Ohio. The classical musical numbers "Put on a Happy Face", "Kids!", and "A Lot of Livin' to Do" carry us back to the "Era of Good Feeling", while "Honestly Sincere" and "One Last

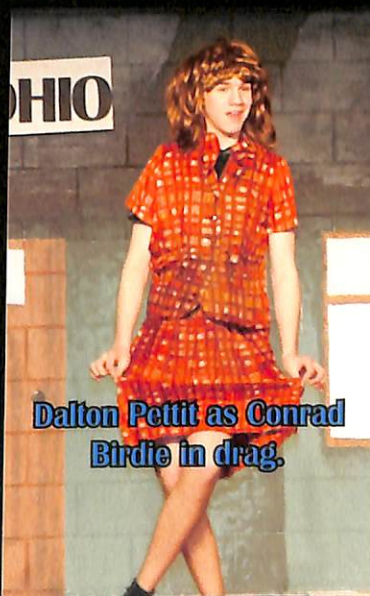

Kiss" initiate NLSS into those early years of Rock and Roll. Special thanks to Director Mr. Dan Dumais, Producer Mrs. R. Leystra and Music Director Mr. Tim Houle for their outstanding leadership and dedication.

Musicians of NLSS

Jazz

Shawna Redskye was the featured soloist in the Lambton County Honour Jazz Band.

To kick off the year, the Concert Band was the musical ambassador for commencement, which is a tradition for NLSS. During the Christmas season, they played at different schools in the area to get them into the Christmas spirit. During class at NLSS, the concert band played in the front foyer to boost up everyone's holiday spirit. Near the end of the semester they took a trip to Sarnia to watch the amazing Toronto Symphony. They learned new unique ways to help their sound.

The vocal class traveled to different schools, in the spring to show off the amazing three-part harmony they learned and to showcase their talented soloists. The extra-curricular vocal group attended classes once a week throughout the year at lunch. They showed off their musical talent with the vocals class in the spring music night.

Matt on the Saxophone and Dalton on the drums.

Jazz class attended the spring music night and displayed their many musical talents. They played in the relay for life in Forest as they do every year. This year, Lambton County had an Honor Jazz band where three NLSS students were chosen to take part. These exceptional students were Dalton Pettit on drums, Matt Nevenschwander, an exchange student from Switzerland on Saxophone, and Shawna Redskye a featured soloist, playing saxophone.

On top of all this, there was a saxophone quartet. It consisted of Shawna Redskye, Meghan Letourneau, Matt Nevenschwander and Mr. McGregor. They kept themselves busy this year by putting on performances in the community.

At the end of this year, all music students were invited to see the vocal group, Cadence.

Every year North Lambton holds numerous math competitions. These competitions create opportunities for students to challenge their math skills, as well as tools for a great resume, applying for scholarships and experience. The Euclid, Fermat, Cayley and Pascal tests are all held in the month of April and are only available to certain grades. The CNHL contests are held every month and are open to all

grades. The turn out for these contests is fairly good, about thirty students per test. Mr. McBain is the supervisor of the contest's being held and he also helps in the process of making the tests at the University of Waterloo, therefore, he has the "inside scoop". Mr. McBain has been active in this process for four years.

STUDENTS taking a LEAD!

AT NLSS WE ARE VERY THANKFUL FOR OUR PEER TUTORING PROGRAM. THIS YEAR MANY OF OUR STUDENTS GAINED A CREDIT BY BEING A TUTOR. IN DOING SO, THIS ALLOWS THE TUTORS NOT ONLY

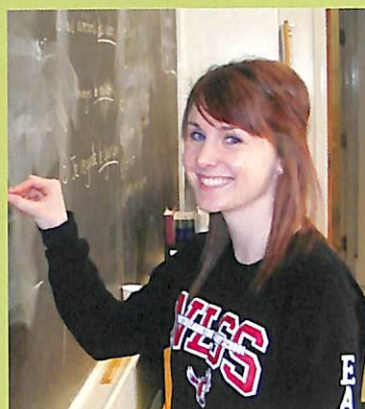

PASSING ON THEIR KNOWLEDGE AND EXPERIENCE, BUT ALSO THEY LEARNED VALUABLE COMMUNICATION SKILLS. IT'S AN OPEN COURSE THAT ALLOWS OUR SENIOR LEVEL STUDENTS TO HAVE THE OPPORTUNITY

TO HELP AND ALSO ASSIST EVERYDAY CLASSROOM ACTIVITIES OF JUNIOR LEVEL

CLASSES. THE TUTORS GAIN THE VALUABLE EXPERIENCE IN DEALING WITH STUDENTS OF THE SCHOOL. SOME OF THE CLASSES THAT OUR SENIOR LEVEL STUDENTS CAN TUTOR IN ARE: PHYSICAL EDUCATION, MATH, SCIENCE, GEOGRAPHY, BUSINESS, ENGLISH, HORTICULTURE, VISUAL ARTS AND MANY MORE.

Stepping Into Science

Physics, Biology, Chemistry & General Science

Here at NLSS, we conduct a lot of interesting experiments. Physics is a mixture of Math & Science, In Biology you learn about the human body and all of the organs, Chemistry is learning about mixing different chemicals together to see what happens, & General Science is a little bit of each course. Come join us in our next crazy experiment!

A Day Of Adventure

GRADE 9 TRY-DAY

Grade 9 Try Day was in September of 2007, It was organized by Mr. Hales and Mrs. Johnston. The group of grade 9's went to the pinery in Grand

Bend. They were split into two groups. One group went canoeing and the other group went orienteering and then they switched. They stayed at the pinery all day, and after they were done all of their activities they learned how to BBQ apples.

The grade 9's had a lot of fun and learned a lot and we're sure that the grade 9's to come next year will have fun too. 147 schools in Ontario were given \$800 in funding from OFSAA and The Ministry of Health Promotion to put on a special event for grade 9's. They chose NLSS to continue getting funds for the next four years.

Tech Design

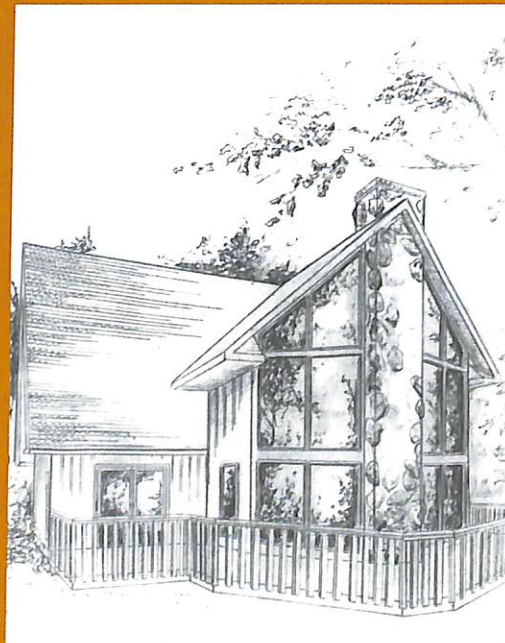

Tech design provides students with opportunities to apply to the principles of technological design to challenges in communications, manufacturing, electronics, transportation, architecture, industrial and consumer products, health and safety equipment, and environmental services. Students identify user needs, estimate labour and material costs, analyse material characteristics, and illustrate design solutions, using traditional and computer-based methods. Students also acquire the basic design skills required for postsecondary studies in engineering, manufacturing, architecture, and construction.

Construction

At NLSS, construction courses are available to all grades. The course becomes more challenging with each advancing year. Grade 9 introduces you to construction, manufacturing, horticulture, auto and computer technology. In grades ten to eleven, construction courses requires you to design, build and evaluate each project using design instruments, machines and hand tools. The students also learn about the tools, material, equipment and methods that are used in the industry. In grade twelve the course focuses more on advanced residential construction, more complex construction systems, and introduces you to more heavy construction.

expected to design their own projects. The students can work in welding, machining, glass, or a combination of materials and techniques. Students are allowed to be as

creative as they like and can choose the difficulty of the project they would like to work on.

THE EAGLES' NEST

New store opens at NLSS

Last September a new special needs classroom was added at NLSS. There are eight students in the class. Since September these eight students have worked once a week with a co-ordinator from Goodwill Industries of Sarnia, learning

customer service skills and how to set up their own store. The Eagles' Nest is located across from Mrs. Starkman's classroom near the office in the main foyer. Setting up the new store has been a rewarding learning experience for all the students involved. All of the students take turns working at the store, which is open to staff, students at NLSS and their families during regular school hours. They have great prices on the items for sale, which includes name brands men's, ladies and teens clothing, some NLSS wear and accessories. The students involved have done a great job working at the store. They have learned how to work a cash register and handle money. The class has made NLSS a unique place now that we have our own store in the school.

CLUB DAY @ NLSS

At NLSS we have numerous clubs that may give you a chance to meet new people or even get a new hobby. If you're not interested in athletics, maybe one of the clubs at NLSS will give you a chance to be a part of the extra curricular activities offered at

the home of the eagles. The clubs offered are as follows, photography, key club, drama, AA, manufacturing and vocals.

Past Present and future A Christmas Carol

We all want to see and be seen.
But does Ebenezer Scrooge want it?

The NLSS drama department put on an amazing Charles Dickens' production on December 6 and 7, 2007. A Christmas Carol brought in huge numbers of people to watch it each night! It was the first time the Eagles put on a Christmas play and considering the short rehearsal schedule, it was a great success!

"A Charles Dickens Play! Are you kidding me", says Jaylyn Harrower. When she found out this exciting news she knew she had to participate. During the rehearsals, the drama department had their ups and downs, but at the end of it all, it was all worth it.

"There were some times when we had to work so hard, staying at the school 'til 5 at night, and using up our lunches," members admit.

Key Club steps forward in the Community

And has lots of fun in the process!

Key Club is the oldest and largest service program for the high school students. What makes Key Club so successful is the fact that it is a student-led organization that teaches leadership through serving others. As members of the Kiwanis International family, Key Club members build themselves as they build their schools and communities. Each year the Key Club members travel to a national conference, this year in

The big project for this year's Key club was to raise money to build a clean water well in India. Students built a wooden wishing well which was placed in the foyer and everyone who wanted threw money into the well. It was a terrific project and went far to raising the money needed.

Class Of 2008

Stepping up for the final year

The girls from the Graduating Class of 2008 stepped up in their final year, helping to make it a memorable year for all students at NLSS. Each year the "Class of" Group is responsible for a number of major school events including Commencement, Semi Formal, and of course, the always memorable Prom.

This year, the all girl club worked hard to submerge the students in such themes as "A Midsummer Nights Dream" for Semi Formal and "Under The Sea" for Prom. However, nothing would have gotten off the ground without the dedication and assistance of Mr. Perry and Ms. Kingdon. Once a week, they met with the students in room 215 for a planning meeting and we are thankful to them for their time and involvement in making this year such a success.

"The Class Of members brought school spirit to the halls of NLSS. Without the dedication this year wouldn't have been as awesome as it was" says Kirstie Boyd. Congratulations Class Of 2008! Best of luck to all the graduates.

Improv Club Travels to ELES

The NLSS "Dream Team" entertain the elementary students

The NLSS Improv Club travelled to East Lambton Elementary School for 'Arts' Day'. There they were faced with the difficult challenge: to come up with some "serious" Improv. Mr. Dumais assembled a "Dream-Team" of Improv specialists who were prepared to flex their "funny-bones".

The ELES students

participating in the workshop wowed our group with amazing talent, and a true aptitude for Drama. Jordan Johnstone, Melissa Zavitz, Charlie Vanderhoek, Dalton Pettit, Reg George, Mike VanHevel, and Darryl Heater thoroughly enjoyed their time with the younger students, and helping to get them

Just a sampling of the projects produced in Manufacturing.

Before any work can be produced, designs have to be created. Here students are working on their stained glass projects.

Manufacturing class may be one of the hottest, sweatiest and dirtiest classes in the school but the results of students' work are sparkling and spectacular. From the stained glass to the iron work, students produce work that they can take real pride in.

In the Manufacturing class, you get to be hands on, and you have the opportunity to make things in many materials including steel, iron, glass and concrete working in age-old techniques and with modern technology. Students have the opportunity to collaborate with other disciplines as well, working on such projects as the go cart frame for auto and the Skills Canada competition. And for those student's who wish to spend even more time on their projects, there is the Manufacturing Club which meets Tuesdays at lunch in the Manufacturing shop.

The Athletic Association, aka AA, is a club at North Lambton where students raise money for school teams. They meet every Monday in the Girls' locker room and discuss their events for the year. Raise money goes towards new uniforms, equipment, lower team fees and busing. They also raise money to help teams and individuals go to OFF-SAA and SWOSAA. One of AA's main fundraisers occurs every Monday at lunch. Eagles enjoy 'Yummy Yummy hotdogs' and 'Mmm Mmm burgers' at the AA BBQ. Other activities they do include: the AA auction, the New Year's Eve Party for children, and the Scrap-booking Extravaganza. In all the AA Club raises over

NLSS Eagles Explore Europe!

It was the summer of 2007 when some of our very own Eagles went to Italy and Switzerland. They spent many days walking the grounds to see the many different buildings and people. It was a great experience for the students to explore Europe in this way.

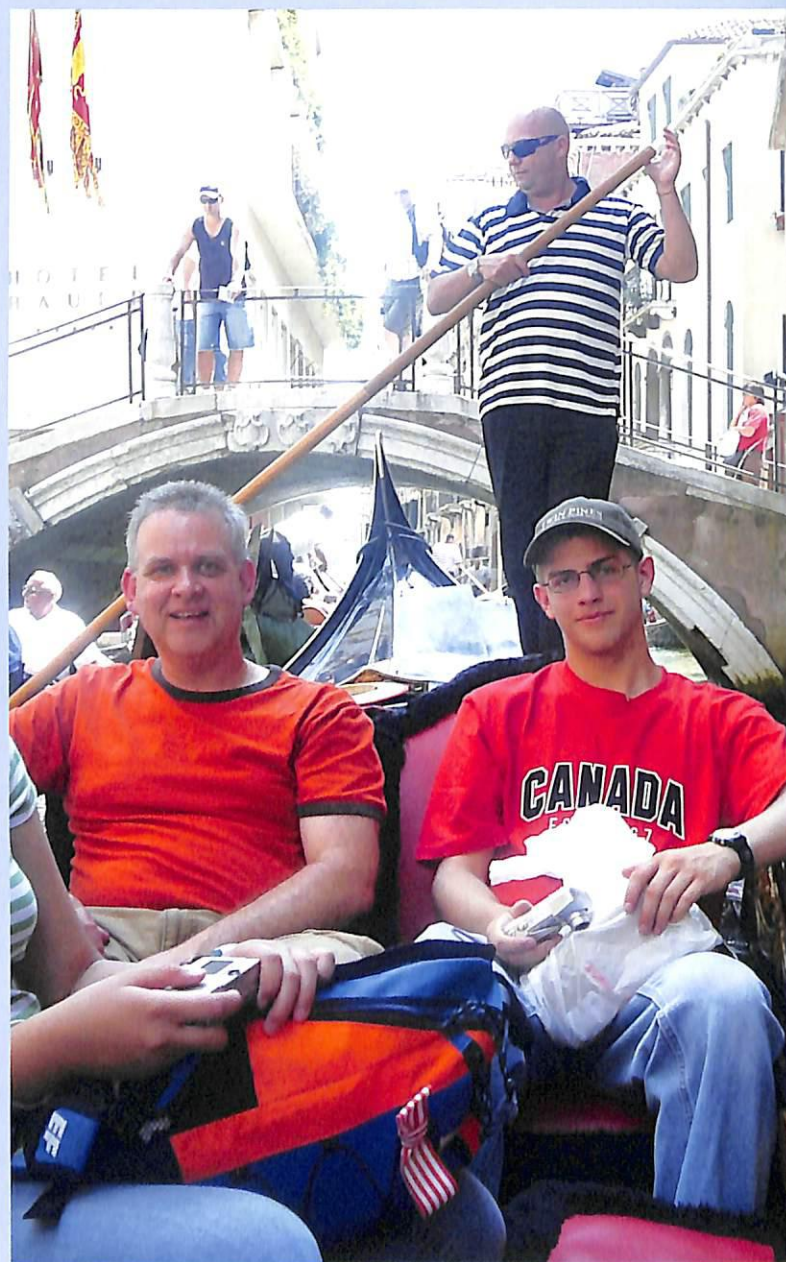

"Even though many people didn't go on this one in a life time trip, it was still a blast. It was the best summer so far in my life." A few people have said. Hopefully next summer we can do another trip to Europe, or anywhere else in the world.

Orientation Day

TAKING STEPS TOWARD A NEW YEAR

The Eagles took their first steps towards the 2007-2008-school year with some new faces this year. Orientation Day was a day to become acquainted with the new students, including the grade nine's as well as a new principal. Mr. Morton introduced himself as an enthusiastic leader that was to join and help the Eagle family to the best of his abilities. As well as meeting new faces and greeting the old, many had the chance to become enlightened in what to expect in the upcoming year. Student Council introduced themselves and brought forth new ideas that were sure to make this year a unique one. Various sports teams and clubs explained their cause and hoped to attract new recruits for their groups. Orientation day started the year with a bang and established new members to our close-knit Eagle family.

Mothers Against Drunk Driving
Speak Out

On April 29, 2008, Paul came to NLSS to speak on behalf of MADD (Mothers Against Drunk Driving). There was also a video presentation called "Friday Nights". It showcased events from a teen's perspective. There were also several tragic stories about people who lost loved ones to car accidents. After the video, Constable John Reurink talked about how drunk drivers influence his job. He also gave some statistics on how many people die due to drunk driving in Lambton County alone each year. Overall it was a very powerful presentation.

Our Fallen Heroes

Remembrance Day Assembly

"Today we gather to remember those who died so we would have freedom. We also wish to remember those brave women and men who aren't currently working to preserve rights and freedom's around the world. These people are *our fallen heroes*"

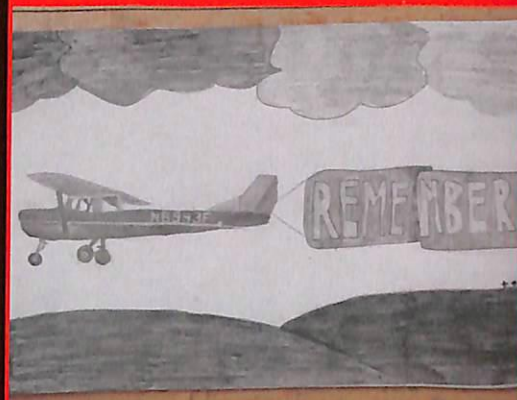

-Amanda Augustine

On the 11th hour of the 11th day of the 11th month, The Eagles are asked to pause and remember the thousands of men and women who sacrificed

their lives fighting for freedom and democracy. On November 9, our school set aside three quarters of an hour to observe Remembrance Day with guest speaker Alex Sangster, who gave us all thoughts on his life during this tragic time. Observances began in the Cafeteria with the singing of O Canada, Moment of silence and Slide show. We were pleased to have both Joey Larmond and Brent Cookson volunteer to be a part of the assembly march the colours as cadets and Kelcy Campbell playing the bagpipes.

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep,
though poppies grow
In Flanders fields.

Any girl that wanted to cheer and support the hockey teams were able to participate in the squads. The practices were held every day at lunch for two weeks in the gym of

Before the day of Homecoming, the entire NLSS school population showed their community spirit by collecting over 5000 cans of food for the Forest Food Bank, surpassing the 750 cans requested to get entry to the Homecoming for the entire school. It was an outstanding show of support for our community and our school teams.

The NLSS homecoming ended up being a wonderful event and is the beginning of an Eagle tradition. "Homecoming was a great way to bring school spirit to our school", comments Holly Galbraith.

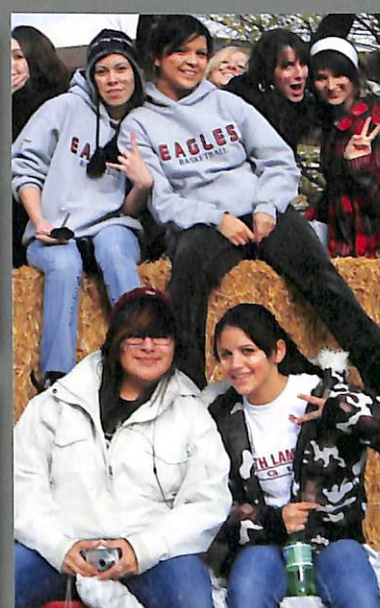

The staff and students from North Lambton Secondary School would like to thank our organizers, especially Mr. Murres for spearheading the event, the OPP, local farmers, arena staff and everyone who helped to make this year's Homecoming a success.

Homecoming Starting

The Eagle Girls Hockey Team had an amazing 2007-2008 season. They showed their skills in their first game of the year against the St. Clair Colts at the first annual Homecoming game and won with ease. This lead them

to an ISSAA finalist title, followed by a SWOSSA victory, and a chance to compete at the provincial level at OFSAA.

The girls never gave up their hard working ways, displayed excellent sportsmanship

throughout the season, and made their school and community proud.

The Boys also had a very competitive year. They did not travel as far as the girls' team but this was not from

NLSS Homecoming game. This kicked off an excellent season played with unmatched sportsmanship and dedication. The team provided for exciting entertainment and

suspense all around. They worked very hard and made their Eagle fans very proud.

Both the Girl's and Boy's Varsity teams enjoyed a fun year with excellent hockey.

A Midsummer Night's Dream was this year's theme for the North Lambton Semi Formal dance. Walking into the gymnasium, a pathway lead from the entrance of the doors to the dance floor. It was called Dance Haven. The gym was full of flowers and vines wrapped around the whole room. Colours and decorations make the students look at each other and say, "Wow, I really love what they've done for this years decorations." Lights were flashing everywhere, and loud music was blaring.

The dance was held on November 23, 2007 in the North Lambton gymnasium. In charge of the Semi Formal dance was the Class of 2008. The committee handled all the decorations, food and drink. They were also in charge of selling tickets. Over 500 tickets were sold, which was really good.

Overall this year's Semi formal turned out to be a great success. "The theme had absolutely nothing to do with the winter. It was very classy, and it was able to take our minds off the snow for once." said Tracey Fisher.

2007/2008 Music Nights

Wow! The annual music nights at NLSS were a great success. The winter and spring music concerts of 2007/2008 had an exceptional turnout of about 400 people each show this year.

For 21 years, NLSS has held annual music nights. The music nights help to bring in money that goes towards extra goodies like buses for going on tour.

This year, Mrs. Williams and Mr. McGregor organized the events. The music students of first semester preformed at the Christmas Fantasia, and the students of the second semester preformed at the Sounds of Spring Concert. Extra Curricular vocals runs all year so they sang at both concerts.

FUNNY MONEY

JAMES CUNNINGHAM

Finances are no laughing matter

But Funny Money with James Cunningham had us splitting our pants

Funny Money is an engaging presentation designed to both educate and entertain students in grades 11 and 12. The program is intended to help students learn the basics of personal finances before they enter into the world of higher education, careers and independence.

Using razor sharp wit and a brilliant multimedia presentation, comedian James Cunningham is teaching students across North America the essential skills required to successfully manage their financial lives. The show dives deep into the matters that we so seldom think about while earning, spending and saving money. Points are laid out in a simple and easy to follow guide to achieving financial stability and then moving on to the next level of achieving great wealth and prosperity.

As staggering as the message was, the presentation was side splitting!

Step Into Shakespeare @

THE SEARS DRAMA FESTIVAL

On February 28th, 2007 at 6:00 pm., Mike Vanhevel, Reg George, and Charlie Vanderhoek stepped onto the stage at the Chatham Cultural Center to perform "Abridged", a Romeo and Juliet play. It was their opportunity to perform in Shakespearean style theatre, with a twist, in front of an attentive audience.

Reg, Mike and Charlie performed all the characters in the play, including the female parts, causing an uproarious amount of laughter in the audience. Even though their performance was funny, interesting, and put a twist into Shakespeare, the group was not able to advance. "It was a great experience...most of it, and it was a hoot getting to work with Ms. Sippel", says Mike Vanhevel.

The Apple Producers and Mrs. Leystra take their first bite.

On Thursday, March 6, 2008 at 9:15 a.m. the entire student population of NLSS "crunches down" into their apples.

The event, organized by Mrs. Leystra and carried out by the students of the Wellness and Horticulture classes was a unique one.

"The purpose of The Great Big Crunch is to promote Health and Nutrition," says Mrs. Hoskins of the Nutrition and Health class.

Mrs. Leystra, the apple producers and the students from Horticulture and Wellness classes worked together to hand out apples to each and every student and staff on the Eagles campus. The plan was that by the time the clock hit 9:15 a.m. every student and staff member were to crunch into their apples and enjoy a nutritious snack.

The event turned out to be a success and a great way to promote health. The staff and students would like to thank Twin Pines Orchard and Cider House, Arkona Orchards, Sunrise Orchards, Armitage Orchards and Berg Orchards, for donating the apples.

STEPPING OVER THE BORDER

On March 6th, students from NLSS left the school to head to the airport for their big adventure - a March Break trip to Costa Rica! The highlight of the trip would definitely have to be the canopy tour where students

got to fly through the treetops in a harness on a zip line. Swinging like Tarzan on a huge rope suspended from a tree, they got to experience something that not many people ever will. What a thrill!! Although, this was almost too much for Mrs. Johnson, Mrs. Matthews and Mrs. Leystra. They had a great time and some awesome pictures were taken that apparently just disappeared...

Another highlight took place on the second last day of the

trip. It was the crocodile tour. The boat went out among the crocs, and gave them a good vantage point for seeing other exotic animals as well. In order to get the crocs to move out of the way of the boat, the tour guide brought whole

chickens. The crocs would slap and open their big jaws to grab at them!!

Big thanks to Mrs. Leystra, who with lots of help from Mrs. Johnson made the trip happen.

A Quest for Knowledge with Reach for the Top!

The North Lambton Reach for the Top team experienced a lot of fun and playoff action this year. They tied for second in both senior and intermediate divisions to qualify for play downs. The intermediate team had enormous success and barely ever had an off day at any Reach for the Top meet. The senior team did very well as they made it to the semi-finals of the playoffs and only lost to their rivals St. Christophers by a deficit of thirty points (three questions).

Coach, Mr. McLean was very proud of the Reach for the Top members as they showed diligence and intensity during the meets, bringing the North Lambton team farther than they have every been.

The Spotlight

NLSS Has Talent

The annual Talent Show was held May 15th. It was held in the gymnasium and proved to be one of the highlights of the school year. Mr. Dumais' Grade 11/12 Drama class ran the event and M.C.'s Riley Gillatly and Charlie Vanderhoek kept the crowd entertained. It was the talent, however, that everyone came to see and no one was disappointed with acts. This year the judging was divided into three categories: bands, dance, and solo vocalists. Axionatic, which kept the crowd cheering for more, was the clear winner of the bands and Hannah Teeple won for solo vocalist. But the act that no one will ever forget were the winners of the dance category, Tanner and Jordan Carrothers, who performed a spectacular Cirque du Soleil style act.

All in all, NLSS Has Talent was a fun filled way to end the year, with all the proceeds going to Cystic Fibrosis research on be half on Devon Riley.

Mr. Dumais would like to give a special thanks to the judges, Custodians, Grade 11/12 Drama Class for making this talent show happen, and the audience and family members of the performers.

A CHILLY AFFAIR THIS YEAR

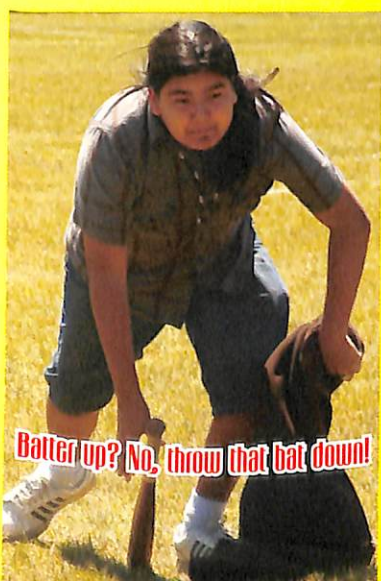

A show of strength in the tug-o-war.

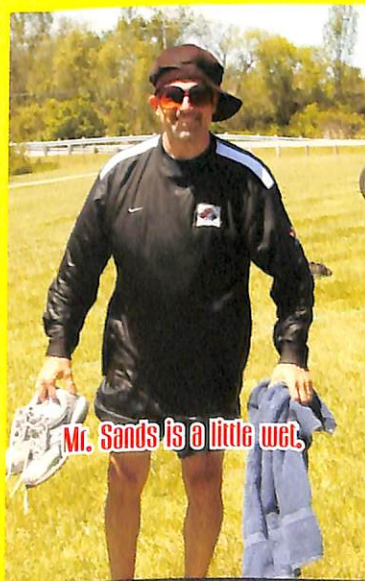

Tues. May 27th brought bright skies and chilly winds for this year's annual Fun in the Sun Day, but that did not stop North Lambton students from getting out and having fun. This year's events included the ever popular Dunk Tank manned by Mr. Young, Mr. Sands and Mr. Ryan as well tug-o-war, beach volleyball, obstacle races, trike races and many more activities. Students in each period D class made their way to each event trying to outdo the class before them. By the end of the day, students were ready for hot cocoa and blankets rather than their customary ice-cream. It may have been cold, but the sun will always shine at Fun in the Sun Day.

The 2008 Triathlon consisted of all the Fitness students competing for that sparkling first place trophy. The triathlon activities included: canoeing 8 km, running 5 km, and biking 8 km.

The athletes required tremendous endurance to get through the long canoe ride. Not only did it make the athlete's feel like they had 100 lbs. arms but they also couldn't sit down for the next two days because the seats were so uncomfortable. By the time the athletes were lined up for the running component of the triathlon, they were exhausted.

The final leg of the "big race" was biking and the athletes were sweaty and their stamina was running out, but they gave it their all. It was all "high fives" and "great job" from their teammates and teachers at the finish line. The day was filled with hard work, laughter and a very quiet bus ride back to the school.

Tennis and Badminton

The NLSS badminton team had a very successful year for the 2007 - 2008 season! The team made it all the way to LSSAA which was held in Sarnia. Of the 20 teams that participated in the tournament 8 of them placed! Those teams were, Juniors, Celine Comley (1st Girls Singles), Hannah Teeple and Erin Gordon (3rd Girls Doubles), Sean Parker and Brett MacKenzie (2nd Boys Doubles). For the

seniors, Katie Kemp (3rd Girls Singles), Jenna Armitage and Cassandra Dare (2nd Girls Doubles), Nick Slegers and Luke Teeple (2nd Boys Doubles), Meghan Gilfoyle and Eric Soepboer (3rd Mixed Doubles). Other teams participating were Bharti Mor, Willie Boyd, Travis Copeland, Justine Soepboer, Nicole Cassidy, Curtis Datema, Pat Elrafih, Katie McLean, Jordan Geerts, Julia Struyf, Vinnie

Rogers, Kevin Martindale, Jill Rutten, Beth Weindels, Ben Stubbs, Kyle Alexanders, Alli Steven and Josh Weaver. After the tournament NLSS came home with 73 points. Congratulations to all who participated for having a most successful year yet!

This year the boys' curling team was made up of new players but that did not detract from their enthusiasm. The team consisting of Kyle Tedball, George Larmond, Xander Ward, Joe Larmond, Taylor David, and Culley Schmid worked hard to build a team that NLSS can be proud of.

The girls' curling team this year did very well, making it to the L.S.S.A.A. finals. On this year's team was Kelli McKay, Jamey VanHaaren, Rebecca Morris, Jenny Van Bree, and Katie Kemp.

"Winning isn't everything, but having the will to win is!" are the famous words of head coach, Mrs. Johnson, that inspired and lead the 2007-08 girls varsity hockey team to victory this year. This is the first time in the history of NLSS that the girls hockey team has earned the title as SWCSSA champions and the right to represent North Lambton in OFSAA, which they respectfully did in style. The girls had an amazing season, finishing 2nd in league, 1st in SWCSSA (dominating 7-0 in the finals) and winning the Toronto tournament in February. The competition at OFSAA-1

was impressive. The Lady Eagles held there own and battled their way through three games, ending up 1-2 and did it all while showing off their own impressive skills and talent. It is also worth mentioning that Brittany Anderson was the top scorer during the OFSAA tournament. Every player on the team, as well as the coaches: Mrs. Johnson, the three male helpers and Mr. Wilson who happily chaperoned, had an unforgettable time in Pembroke and an experience to last them a life time. What a memorable year, Lady Eagles! Congratulations!

Other highlights included the following people who attended S.W.O.S.S.A.A.: Mason Bresett, Owen Rogers, Sean Stewart, Danielle Vanos, Christina Veens, Morgan Breeze, Aaron Cassidy, Nicole Cassidy, Michael Gordon, and Jennifer Gordon, Sean Parker. Way to go Eagles! Another successful year.

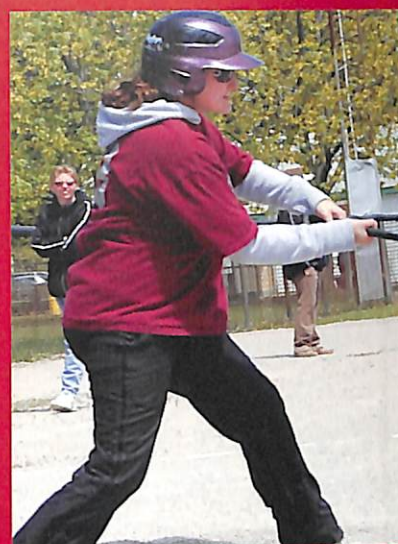

STEPPIN' UP TO THE PLATE

Lady Eagles Baseball

Every year Mrs. Sanders puts on the LSSAA baseball tournament held at the Arkona baseball diamond. With 8 teams coming to the tournament this year, the Eagles had a tough and cold day ahead of them. This year there were over 30 eager players trying out for the baseball team which had to be cut down to only 12. Kirstie Boyd, Jesse Brown, Caitlin Burman, Candace Flater, Brittnee Garrett, Karla Kerrigan, Ashley Looman, Justine Sheppard, Taylor Thompson, Cassie VanEngelen, Shelby Watson, Katelyn Wilson, and Candice Worsfold made the cut this year. The ladies had a great tournament. At one point, the team even had Mrs. Sanders believing that they could win their first game against L.C.C.V.I. The lady Eagles did finished up the day with two wins and a loss. They finished second in their division but did not move onto the final game for the championship. It was a the day off with hard determination and were successful. Good Job Ladies

Junior Soccer

This year we had a Junior Girls and Boys Soccer Team. Each team fought hard capturing well-deserved victories through out the season. The Boys' hard work paid off earning them third place in the league! The girls also had a successful season placing a remarkable first place in the league! Unfortunately they lost by only ONE goal in the semi finals. Keep up the great work and determination Eagles!

Kickin' Our Way To Victories

Senior Soccer

This year we had a Senior Girls Soccer team but were not fortunate enough to have a Boys team, due to the minimum number of players. All season the girls showed great enthusiasm, team spirit, and hard work. Their positive attitude paid off, capturing them victories throughout the season. Unfortunately, these wins were not sufficient enough to carry them to the playoffs. Over all this was another great year!

Kickin' Our way To The Finals *Jr. and Sr. Futsal*

NLSS yet again had another successful Futsal season. This year we had a Junior and Senior Boys' team and Senior Girls' team. Each of the teams competed in two tournaments showcasing a lot of talent. In both tournaments, the teams played very exciting and close scoring games, winning several times. The highlight of the season were the Boys capturing the first ever gold for NLSS Junior Boys' Soccer! Congratulations to all teams!

Team Members include: Kyle Alexander, Dan Boyd, Tyler Boyd, Andrew Frayne, Cam Mennen, and Kim Chambers with Mrs. Lowe coaching. The Eagles made it to LSSAA where they placed 3rd out of 8 other teams, missing 2nd by ONE point! MVP of the team was Dan Boyd, who shot a 73 and missed out to move forward individually by 1 point. Great Season Eagles!

JUNIOR, SENIOR AND MIDGET

Eagle Volleyball

This year's volleyball teams had tremendous successes. The junior boy's and junior girl's team both made it to finals but fell short of making LSSAA. They showed tremendous skills and hard work this season. The senior boy's and senior girl's improved throughout the season, showing teamwork and team spirit. Although, they did not make it to finals, they did start to win games and showed everyone they were in it to win. They tried their hardest and made a great year for themselves. The teams couldn't have made it as far as they did without the help of their coaches, Mr. Wilson, Mr. Hales, Katie Vanos, and Mme Lefebvre. Special thanks to the many volunteers, Nikki McKay, Kirstie Boyd, Jordon Campbell and Mrs. Robinson.
